Re: U.S. Patent Application Serial No. 10/793,162; filed March 4, 2004; for METHOD
AND SYSTEM OF MONITORING, SENSOR VALIDATION AND PREDICTIVE
FAULT ANALYSIS

Dear Mr. Lenz:

This is to advise you that the above-noted patent application will mature as Patent No. 7,451,003 on November 11, 2008. The patent will be proofread upon receipt and will be forwarded to you shortly thereafter.

The foregoing information is being provided to you at this time to enable you to make the necessary arrangements for patent marking. In this respect, the notation "Patent 7,451,003" should appear on the subject matter. In the absence of this marking, you cannot obtain damages from an infringer until he has actual notice of your patent.

Very truly yours,

Phillips Lytle LLP
